The Halls of Pinkston

Sometimes
they are
empty —

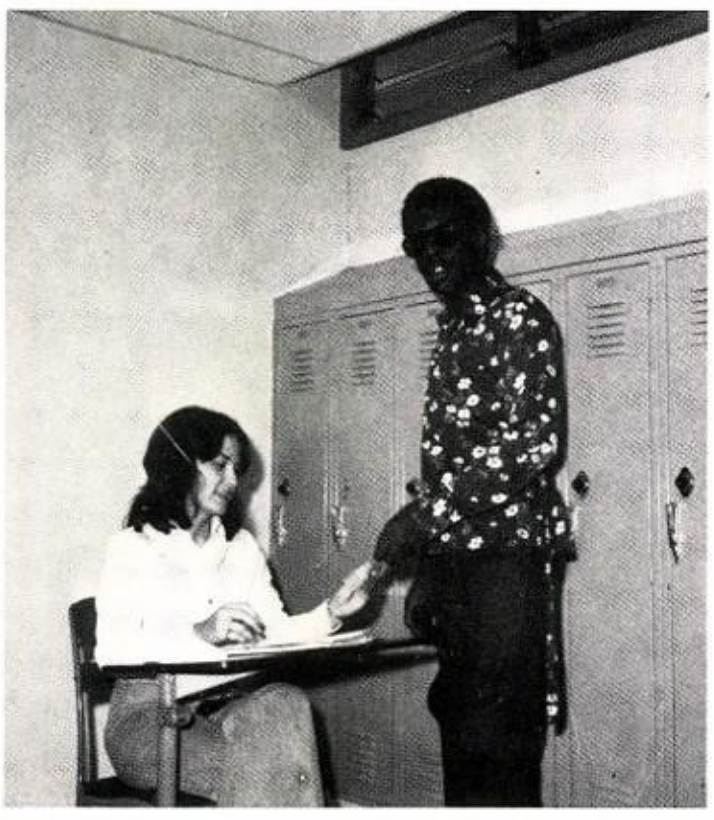
it or not

Sometimes, there's
just one
pretty face
in the halls



May I
see your
hall pass
please?

Halls can be
used to get
ready for a

walk

. . . or to run

you're late

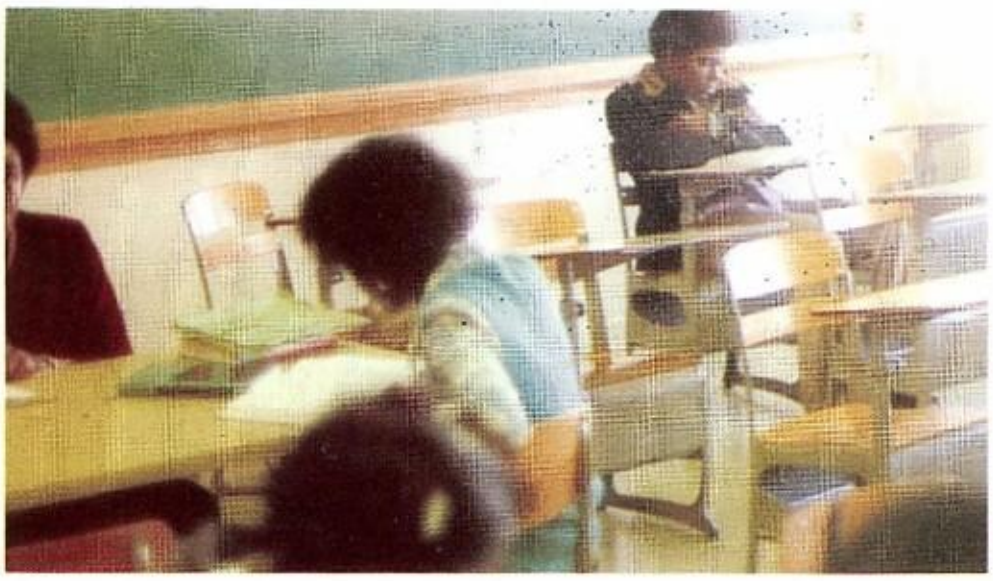
The Classrooms of Pinkston

First period: waiting for an admit



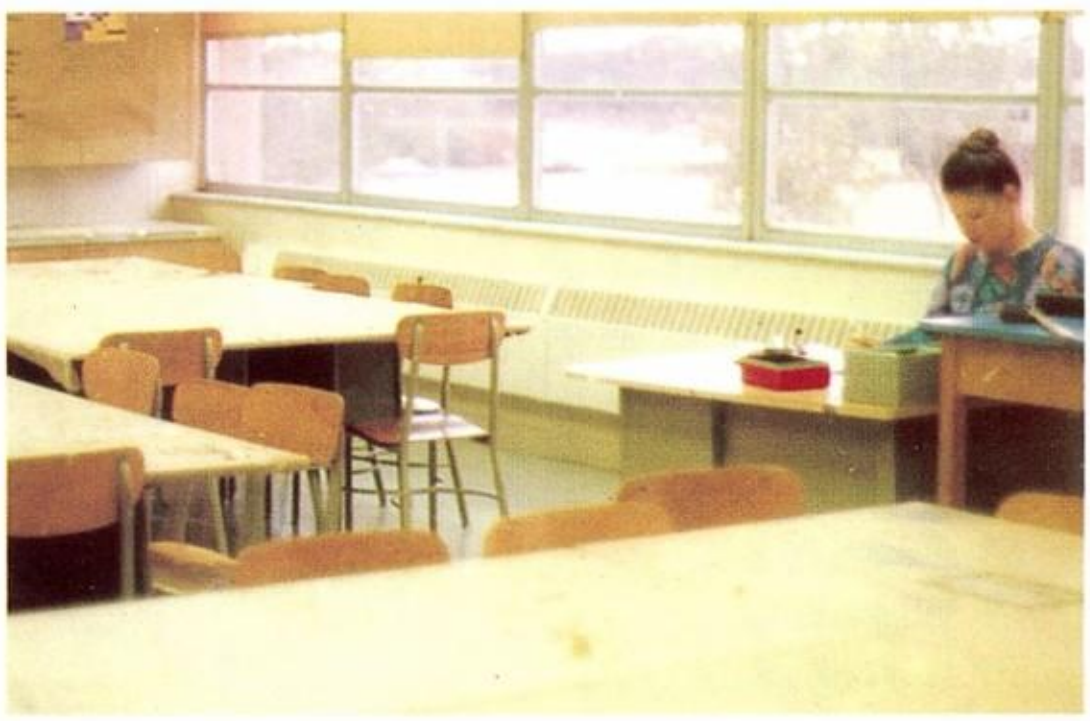
Second period: still asleep

Third period: getting together

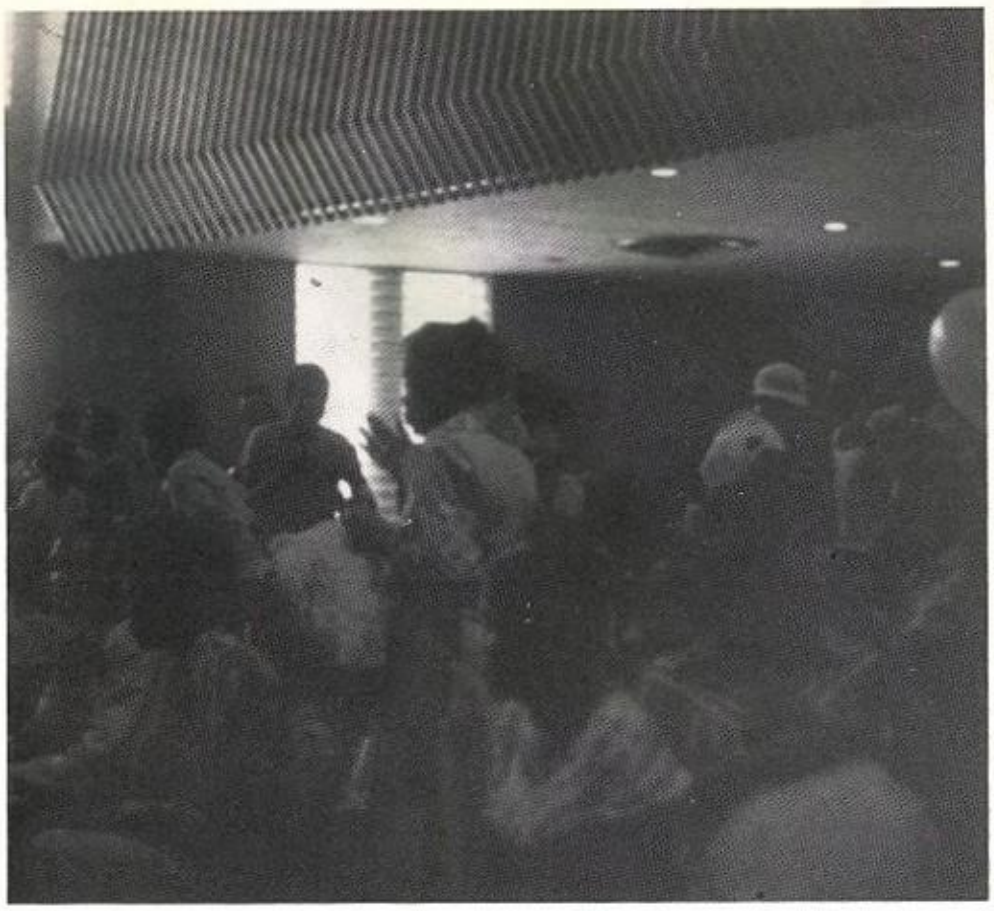
Fourth period: fighting before lunch

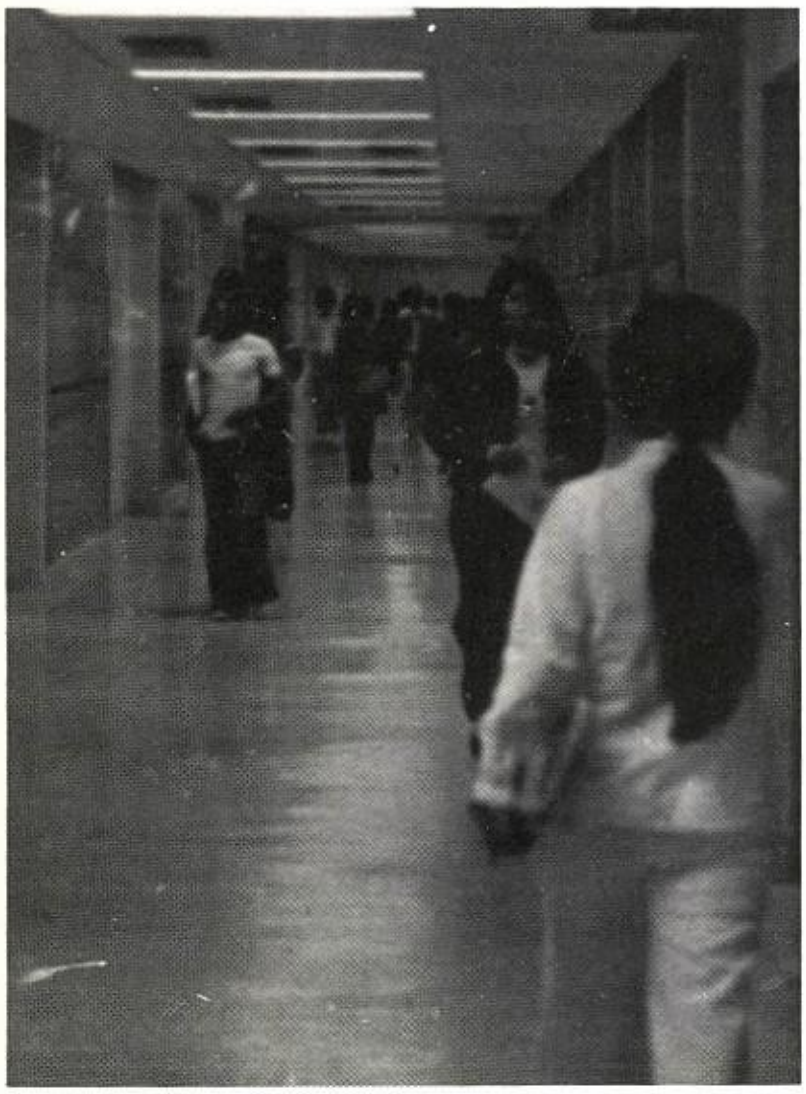
Fifth period: starting over again

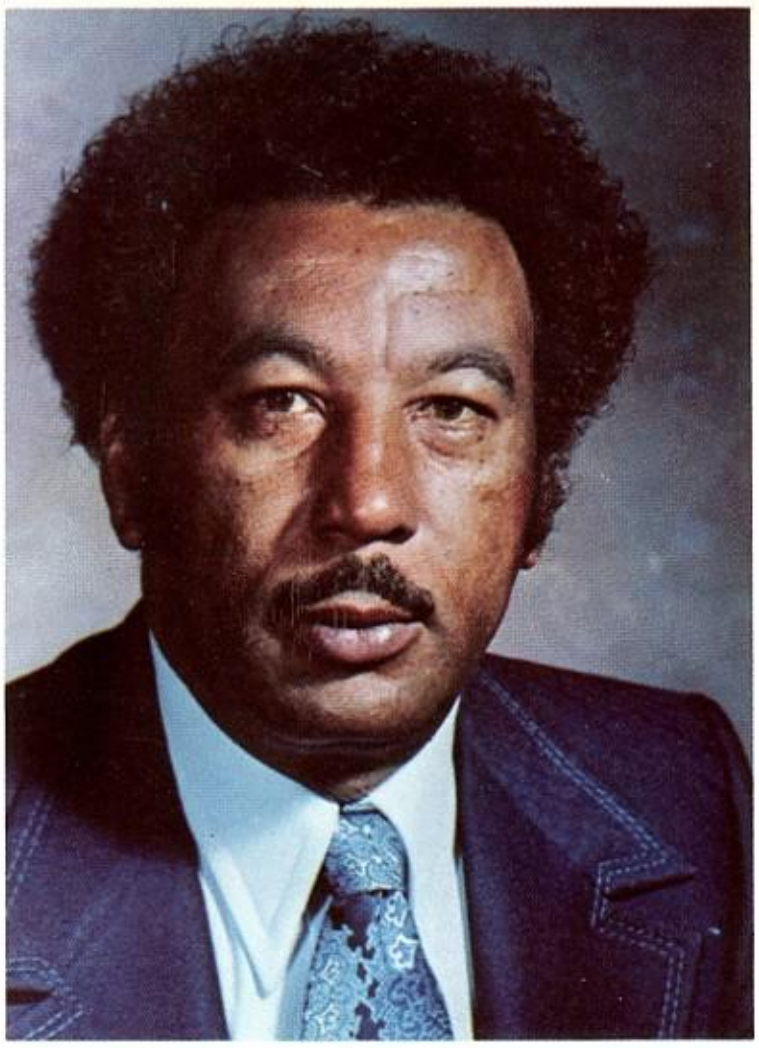
Sixth period: almost over



Seventh period: it's finally over







The '76 Viking Annual Staff would like to salute a person who really deserves it. The new administration has caused The New Birth of Something Special at L. G. Pinkston. For this reason we dedicate the '76 Viking to Mr. Joseph Honore, principal of L. G. Pinkston High School.

HE: Hello, Mary.

HE: Bob. We graduated together.

HE: It's the year 2000. How does it feel to be in your 40's?

HE: You mean you're older than that.

HE: No. As a matter of fact, I'm married.

HE: I don't know. Just a second I'll ask her.

HE: Why, in the Senior directory of the '76 Viking Annual.

SHE: Yes. Who is this?

SHE: OH . . . OH, Bob. It's been a while.

SHE: What do you mean? 40's?

SHE: Heavens, No! I'm not even close to my 40's. By the way, Bob, does your mother still chaperone you on dates?

SHE: How does your mother feel about that?

SHE: No. Please don't bother. Incidentally, how did you happen to come across my phone number?

SHE: Of course.

Gift of youth.

This gift was embodied in a mythical ring belonging to a hero, Ogier the Dane. Ogier's ring not only removed the wearer's infirmities; it also restored his youth. Try your Balfour class ring 50 years from now. Maybe it can do the same.

Part of the Viking Family

A TRIBUTE TO A LOYAL VIKING
"THE LATE MISS SARAH ANN WOODFORK"

Miss Woodfork lived only thirty years, but eleven of those years were dedicated to working with young people. Her desire was to instill qualities of finer womanhood and pride in young black women, and to help them improve in their studies.

Miss Woodfork was born August 19, 1934, in Somerville, Texas. She attended elementary and high school in Giddings, Texas, where she graduated at the top of her class.

At age 16 she entered Prairie View A.&M. College where she graduated in three years with honors and earned a Bachelor of Science degree in Home Economics. She did graduate work at North Texas Extension and the University of Colorado at Boulder before receiving a Master of Education in Home Economics from Colorado State University. She was initiated into Phi Kappa Phi Sorority at State for the outstanding work that she did.

Before coming to DISD Miss Woodfork worked with the Texas Agricultural Extension Service for two years. Her years in Dallas were spent at James Madison and L. G. Pinkston High Schools.

She organized the first N.H.A. (New Homemakers of America) at James Madison and Pinkston; now known as the Future Homemakers of America. The Madison Chapter is named in memory of her. She also worked with the National Honor Society, Viking Awards and Queens at both schools, Bethel A.M.E. Sunday School and church choir, and other clubs and organizations.

Those who know and worked with her considered her to be a loyal, competent, proud, and hardworking and dedicated Trojan and Viking.

Family includes:

Dr. and Mrs. Alfred L. Roberts - DISD
Dr. and Mrs. I. H. Woodfork - Retired
Mr. and Mrs. Booker T. Arnold - Dallas
